Documentation Guideline*

**REQUIRED ITEMS (8)**

**R-1. Local Councils in good standing with ORA and IRA.**

**COUNCIL PROCEDURE:** Items 1-a to 1-f relate to the fiscal year July 1 - June 30, to the local council school year and to each individual's IRA due date.

**R-2. Send council new officers form and completed membership roster to State Coordinator.**

**COUNCIL PROCEDURE:** This officer form is sent to each local council president in early spring by IRA. A sample is in the ORA handbook. IRA requires the IRA form to be completed and mailed to the State Coordinator by April 15. The State Coordinator really needs it by April 1 so checking and phone calls can be made by the coordinator's deadline with IRA. IF you do not receive new forms from IRA, use a copy of the enclosed form for deadline.

**R-3. Send current membership roster to the State Director of Membership with a summary of the council's membership program.**

**COUNCIL PROCEDURE:** Conduct and document membership campaign. Send details along with a roster of local members by February 1. (This roster should include names, addresses, home and work phone, fax, e-mail numbers and teaching or administrative position.)

**R-4. Document visit from State Officer, State Coordinator, State Director of Membership or Regional Director.**

**COUNCIL PROCEDURE:** Invite the visitor, confirm prior to visit. The visitor will bring a form used by ORA. This can be copied for proof of visit. (A copy of the form is provided if needed.)

**R-5. Document attendance at ORA Annual Conference**

**COUNCIL PROCEDURE:** A form is provided, however, copies of registration or staff development forms could also be attached.

### *Documentation Guidelines (cont'd)*

- R-6. Schedule and hold three council meetings a school year and send schedule to State Coordinator.**

**COUNCIL PROCEDURE:** Usually this is done before the school year gets underway. Changes do occur. Just notify the State Coordinator of any changes.

- R-7. Update local council bylaws and send a copy to the State Coordinator.**

**COUNCIL PROCEDURE:** Include a note that the bylaws have been reviewed and by whom.

- R-8. Send new council officers for the next school year to ORA Leadership.**

**COUNCIL PROCEDURE:** In order to meet the February 1 deadline, councils will have to select officers for the next school year EARLY - by mid-year. Also, councils must secure commitments from the new officers that they will attend the ORA Leadership Conference. It has been determined that holding the conference in mid or late July serves the needs of most local councils. This July date certainly does not prevent the local councils from planning programs and procedures at earlier dates.

The State Coordinator will send dates and leadership information to all new local council officers.
